

Meanwhile, in internship she wonders ...

I am on an internship and it announces the closure of educational establishments, would I still have an internship or not?

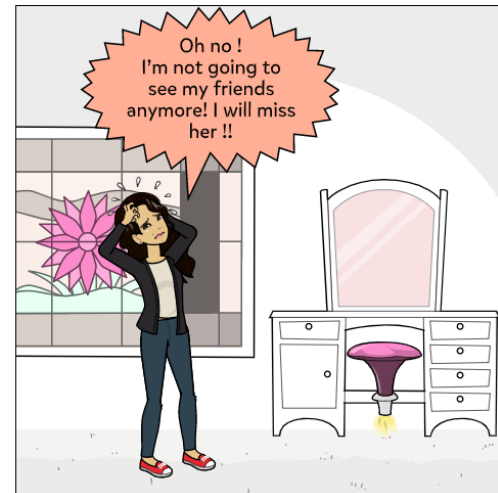

Yes I know mom, let's go sit on the sofa

the president speaks tonight, we must listen to what he is going to say, it is very important because of this crisis situation!

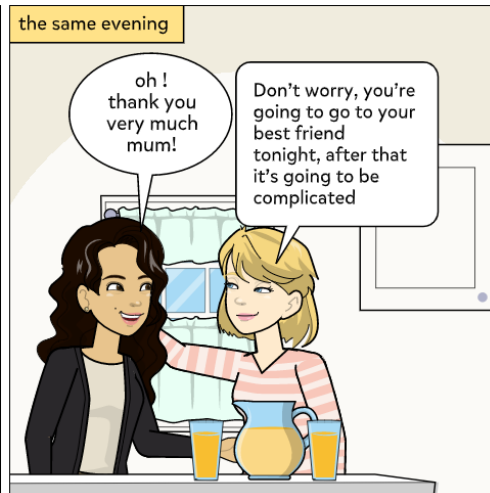

The president said containment, we're gonna have to stay at home!

oh, it's going to be too hard, how will it go?

Oh no! I'm not going to see my friends anymore! I will miss her!!

the same evening

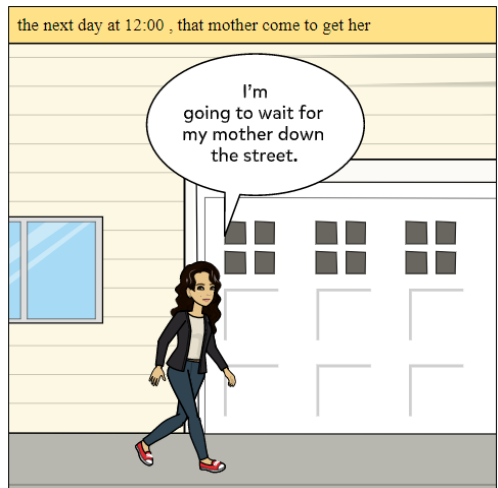

oh! thank you very much mum!

Don't worry, you're going to go to your best friend tonight, after that it's going to be complicated

I'm here! but I can stay until 12:00 after this is the confinement that begins.

yes yes, worry we will enjoy it!

the next day at 12:00, that mother come to get her

I'm going to wait for my mother down the street.

when she gets home

ah! okay i'll go prepare what I need to take

Your father called. He makes the round trip to take us to bretagne prepare you're suitcase

while i'm packing my suitcase

take everything you need, there's enough to put in the car!

me, preparing my clothes

okay mom!

later in the night

yes, take the advantage to sleep meline

We have to hurry up, we don't have a long way to go!
