

# THE COVID-19

For everybody !

# Monday 16th March

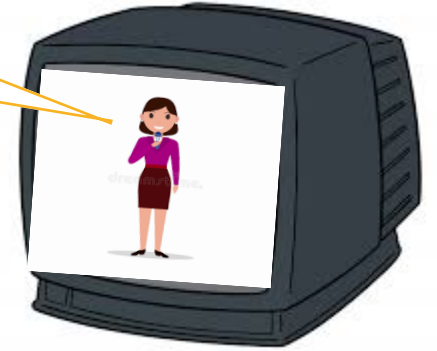

How am I gonna  
go on holydays ?

I can play a lot of  
things ! Yeaah !

You must stay at  
home for 2 weeks!

This is not  
going to  
change too  
much for me

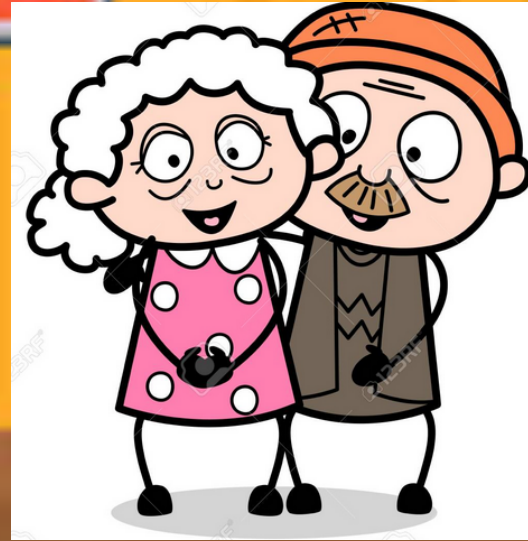

# Saturday 21th March

It starts to be a long time, just a little over a week away and it's finished

I'm starting to like working at home

It always changes nothing for us

Saturday  
28th March

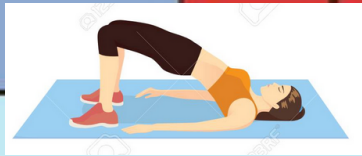

I can't  
stand you  
anymore !

I am so  
bored...

What  
can I  
do?

That's all they  
talk about...

# Tuesday 31th March

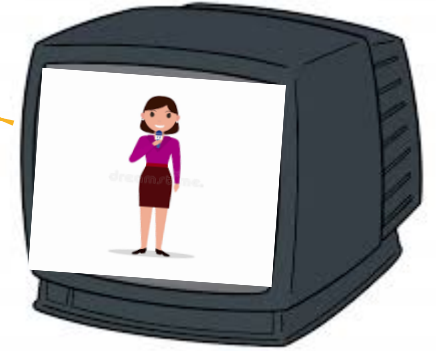

Don't worry,  
two weeks and  
it's over

I miss my  
friends...

2 weeks  
more !

... and I, miss my  
children too

Wednesday 8th April

Do you have  
your certificate?

No we don't,  
we're just  
going for a  
walk

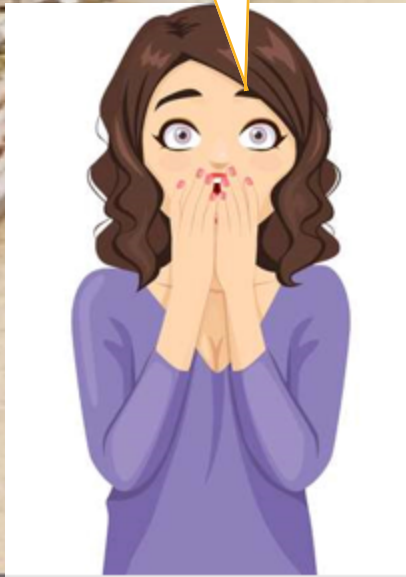

# Monday 13th April

# Wednesday 22th April

It feels very  
strange that  
there are only  
few people  
there
